

*Three Little Ships International Pre-school*

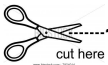

December 7, 2011

Dear Parents,

Thanks to you, we have had several successful fundraising events this year! We have one more to complete before the New Year. Based on popular demand, we have created a 2012 calendar with our students and staff as the stars.

The 2012 calendar is available for pre-order now and will be sold for €20,00 each. We have printed a few sample calendars for you to preview prior to ordering. A sample calendar will be available at each classroom. If you would like to purchase a calendar, please complete the form below and return it to your child's teacher.

Sincerely,  
Lighthouse Staff
