

**Lighthouse Parent-Teacher Committee Meeting
Activities & fundraising, November 9th, 2011
Present: Christina Constable, Fiona Passantino, Cynthia Jaeger**

- 1) Cynthia explained that this year the children's holiday cards would be ready earlier, in time for Christmas. The order forms would be available in time for the parents' evening.
- 2) There is a second similar initiative to prepare other items from the children: Lighthouse is in touch with a company producing tea-towels or mugs with the children's drawings on them. Christina offered to take on this task for the spring.
- 3) The holiday party needed planning, particularly the food. The sign-up sheet would be posted on the classroom doors and another form would be sent home with the backpacks. Fiona offered to help organize the parents by email if there were no takers for the paper approach.
- 4) Fiona was going to hold a party January 28th for the parents of the downstairs and upstairs class. It will be a potluck dinner for the moms and dads. The downstairs group has been invited and the upstairs group will get their invitations the week of Nov 28.
