

Lighthouse Parent-Teacher Council Meeting (MR)

November 9th, 2011

Present: Jinny Boer, Fiona Passantino, Cynthia Jaeger

- 1) The Lighthouse and Three Little Ships would have interns again this year in the areas of early childhood and psychology. We also discussed the policy for all those working with children, including volunteers, as having completed a certificate of good behavior.
- 2) Jinny shared her notes from the discussion she had with Stibbe, the law firm looking in to the Lighthouse funding options through the Dutch government based on the "passend onderwijs" law. We discussed the high school options and whether Lighthouse ought to become a cluster school, as long as it can stay within the HSV system. Cynthia was going to find out at the next meeting whether this can be done, what the consequences are and what the procedure might be.
